Atlas Copco

SERVICE CENTER OFFER
Broadview Heights, OH

FREE RETURN SHIPPING

Shipping's on us.

Approve your quoted repairs and we'll cover return shipment of a **complete truckload** back to your location — at no cost to you.

$0

Return freight

on a full truckload of equipment once your quoted repairs are approved.

HOW IT WORKS

STEP 01

Ship your equipment

Send a full truckload of equipment to our service center for repair.

STEP 02

Receive your quote

Our expert technicians will assess your equipment and provide a detailed repair quote.

STEP 03

Approve & we ship free

Approve the quoted FP repairs and we'll cover the return shipment — the entire truckload — back to your location.
